DATE APPLICATION RECEIVED: _____

Who We Are

GPA/N is a chapter of Greyhound Pets of America (www.greyhoundpets.org), the largest, nationwide greyhound adoption organization. If you relocate, you're likely to find another GPA chapter nearby, so by adopting through us, you will have ongoing support. GPA/N places dogs in suitable homes in middle Tennessee and southern Kentucky.

If you have questions, please call us at 615.269.4088 or email us at gpanashville@gmail.com. Coming to Meet & Greets is a good way to learn about greyhounds as pets and about our adoption process. The M&G schedule is posted on our website at www.gpanashville.org.

The Adoption Process

Thank you for your interest in greyhound adoption. Generally, within a week of receiving this application and your \$50 deposit, we will contact you for a 20-30 minute phone interview. A home visit typically is scheduled within a week to 10 days after the phone interview. **All persons who will be living in the house with the greyhound must be present for a home visit to occur.** We are an all-volunteer organization, so most home visits are done on weekends. During the home visit, GPA/N representatives will endeavor to bring at least 2 dogs we believe will fit in your family.

Yes No Have you had other pets in the past? Provide details, including what happened to them. Use additional sheets, if needed.

Yes No Have you ever turned a pet in to a humane society, pound or breeder? If so, please explain.

Which of the following would concern you if exhibited by your greyhound? Check all that apply.

Growling/snapping/biting Chewing/destructiveness Digging Fleas
Getting on furniture Too rough with children Housebreaking difficulties
Ignores children Injuring/killing another animal Other _____

How would you rate your knowledge of dog behavior?

None 1 2 3 4 5 Extensive

What would you do if your greyhound exhibited behavioral issues?

Yes No Do you currently have a veterinarian?

Yes No Have you discussed with your veterinarian your intention to adopt a greyhound and inquired about his/her experience with the breed?

Greyhounds are sensitive to anesthesia, some medications and some flea and tick products. It is essential that your vet be knowledgeable about greyhounds and respect these issues.

Please explain why it is important to keep a greyhound on a leash or inside a fenced area at all times.

Yes No Do you plan to participate in any special activities with your greyhound? If so, check all that apply: Pet therapy Lure coursing Obedience

ABOUT YOUR HOME

How many hours a day will your greyhound be alone? _____

My home is: Busy Quiet I live in the: City Suburbs Country

Where do you live? House Apartment Mobile Home Condo

Yes No If you rent or lease, do you have your landlord's permission to have a dog?

Landlord's Name _____ Phone _____

Yes No Does your home have stairs?

How many stairs inside? _____ Carpeted Uncarpeted Open-backed
How many stairs outside? _____ Open-backed Closed-backed

Where would your greyhound stay during the day? Sleep at night?

Is your yard fenced? If yes, please describe the type of fencing, condition and height.

Yes No If your yard is unfenced, are you willing/able to leash walk your greyhound at least four times a day? FYI: Electronic fence is not acceptable; it will not hold a greyhound.

Yes No If your yard is unfenced, is there a nearby fenced, grassy area (ball field, friend's yard) where a greyhound could run safely? Please describe.

BEFORE SUBMITTING THIS APPLICATION

Yes No I have read/am reading *Retired Racing Greyhounds for Dummies* by Lee Livingood. If I have children in my home, I also have read/am reading *Childproofing your Dog* by Brian Kilcommons. GPA/N sells these books at Meet & Greets.

Despite having lived in foster homes, newly adopted dogs may need help adjusting to their new homes. Some are social. Others are shy. Some may initially make housebreaking errors or need time to adjust to a new schedule. Most must be crated while owners are away for their safety and for the well being of their new home.

GPA/N takes seriously its responsibility for placing dogs in appropriate, permanent homes. If we place a dog with you, we ask that you make a commitment to your hound for life. Consider the following carefully:

Yes No A greyhound's average life expectancy is 12+ years. I agree to make a lifetime commitment to my greyhound's care/well being.

Yes No A hound must wear a tag collar at all times bearing his name and the owner's contact information as well as the emergency contact tag GPA/N provides.

Yes No A greyhound is an indoor pet and must not be isolated in the garage, basement or left outdoors unattended.

Yes No A hound should never be tied outside with a run line or other stationary tether.

Yes No A crate is typically the safest place for a greyhound when owners are away.

Yes No Adopting a greyhound is a lifelong commitment that extends beyond the adoption fee. I am personally and financially able to accept full, immediate responsibility for a greyhound, including but not limited to all routine/emergency vet care, feeding, grooming, kenneling and safety.

Yes No Hounds adopted through GPA/N must be returned to this group if the owner is incapable of caring for it at any time and for any reason.

Yes No I agree to never give, sell or transfer ownership of my greyhound to any individual, animal shelter, pound, humane group or veterinary clinic.

REFERENCES

By providing GPA/N with these names, you are consenting to a representative of GPA/N contacting references.

Veterinarian

Phone

List two individuals, their phone numbers and addresses who you have known you for more than two years and who do not reside with you and are not family members. If you have not listed a veterinarian, please list three references.

ADOPTION FEE

The \$230 adoption fee helps offset the cost of initial veterinary care for recently retired dogs. Each GPA/N dog has had the following services: spay/neuter, dental, heartworm screening and preventative, worming, vaccination updates if needed, screening for tick-borne infections and treatment, nail trimming and microchipping for identification. All the greyhounds come with an information packet, collar, leash and muzzle as part of the adoption fee.

Deposit

To begin the adoption process **we must receive your \$50 deposit** with your application. If your application is approved, this deposit will be applied to your adoption fee. If GPA/N doesn't approve your application, your deposit will be returned. If you withdraw your application after the home visit, your deposit is forfeit.
